

VKRP Trainings

During the summer/beginning of the school-year, VKRP either trains teachers or trains a representative(s) from each division on the VKRP assessments and online system who then trains the division’s teachers.

VKRP Assessment Window

The VKRP Web Portal is available for the 2019-2020 school year beginning July 29, 2019. For fall and spring, your division’s assessment window opens two weeks prior to the PALS window. We recommend that you complete all math assessments in the two to three weeks prior to beginning your PALS window. For fall assessments of self-regulation and social skills, we want to make sure that you have had enough time to observe students’ behavior. Therefore, we recommend that they be completed no earlier than 4 weeks into the school-year, and ideally, after 6 weeks of instruction. See the calendar on the next page for this year’s assessment dates.
