

Virginia Kindergarten Readiness Program 2024-2025 Assessment Calendar Pre-kindergarten and Kindergarten

VKRP ASSESSMENT TERMS:

Fall 2024 assessment term: August 19 to November 1
Mid-Year 2025 assessment term: January 6 to February 3
Spring 2025 assessment term: April 7 to May 16

Please visit the Virginia Literacy Partnerships (VLP) website for the VALLS assessment calendars.

- The VKRP web portal opens approximately two weeks prior to the beginning of each term. Training materials are available then.
- VKRP allows divisions and programs flexibility in determining their own specific assessment windows within the VKRP assessment terms. However, VKRP recommends the following guidelines:
 - Complete the Early Mathematics Assessment System (EMAS) in the two weeks prior to the VALLS: Pre-K or VALLS: Kindergarten window.
 - Complete the Child Behavior Rating Scale (CBRS) in the fall no earlier than four weeks after instruction, ideally after six weeks of instruction.
 - Please work with your division/program to determine your assessment window based on these guidelines.
- Mid-Year assessments are now available. Divisions/programs may determine their own requirements for which classrooms and/or students will use the VKRP mid-year assessments.
