

**The VKRP fall term is Wednesday, July 15, 2020 through Thursday, November 19, 2020.** This extended fall term gives divisions more time to assess students per [Superintendent Memo 167-20](#).

Within the term, divisions **can decide to schedule their assessment window as they traditionally have** (i.e., after 4-6 weeks of instruction for CBRS and EMAS, generally two weeks prior to PALS assessment-traditional; see the traditional calendar on the next page for reference). Alternatively, **divisions can select a different assessment window** within the term or even **use the full length of the assessment term as their assessment window**. Divisions can also begin assessing prior to children re-entering school for the fall (for PALS and EMAS). Teachers will continue to need to have had at least 4 weeks of interaction with students (can be a combination of in-person and virtual interactions) prior to completing the CBRS.

Guidance for the PALS assessment is parallel and additional details are outlined in the Superintendent's Memo ([Superintendent Memo 151-20](#)).
